Assistant Commissioner of Patents
Washington, D.C. 20231

Sir:

Responsive to the Office Action dated March 10, 2004, Paper No. 13 and Examiner's comments with regard thereto, please enter the following amendments in the above-entitled application, without prejudice or disclaimer. Applicants note that the Examiner's claim rejections herein relate to the addition

of the word "external" to the claims in Applicants communication of October 8, 2003. The Examiner appears to have ignored all other amendments made in the communication of October 8, 2003. Thus, the amendments to the claims below repeat the previously ignored amendments in underline and strike out form. The term "external" has been removed from any additions to the claim shown in underline form.
